TORONTO

Shorthorn
SALE

Tuesday, January 31st, 1950

Cattle Barns - Exhibition Grounds
____TORONTO, ONTARIO____

Invitation ~

LOUADA
MARSHALL

To you as Shorthorn breeders and friends we extend a hearty invitation to inspect our sixth annual sale offering which we proudly list in this sale catalogue. We feel that if you study the individuals and their pedigrees, you will agree that this surpasses all our earlier efforts.

During the past year, contributors to this sale have made a noteworthy contribution in both show and sale rings. The winning of the female sale championship at the National Shorthorn show and sale at Kansas City, and subsequent sale for the top price of \$3350. by Elbraw Augusta 5th, was undoubtedly the climax. However, Canadian entries in that show and sale, and in the recent International Congress show and sale were consistently above the average. At Chicago, the Canadian bull average of \$1134. was over 22 per cent above the general average, the Canadian female average of \$873. over 18 per cent over the general female average.

The animals herein catalogued represent the best blood lines available in Canada, Great Britain and the United States. The devaluation of the Canadian dollar has made this a particularly attractive field for U.S. breeders seeking profitable investments, in that they now find their dollar worth an additional 10% in Canada.

You are cordially invited to attend the sale and inspect the offering, regardless of whether or not you plan to be a purchaser.
